# #GOODMUSICONLY

This is the theme that Renan calls for his presentations.

Good Music Only about songs successful contemporaries, current and older classics that made generations and generations to experience special moments. All of them

performed in custom versions, own rhythms by the artist who studied Singing (Sesc), Guitar Classical (JGadelha), Piano (AM&T), Music Production & Mixing and Mastering (Synthex Pro School).

Among the rhythms, most evidence, Pop Music international and national, with a good appeal to the NeoJazz, R&B, Blues, Rock, Country and Bossa Nova, from according to the feeling of environment and the public.
